

A decorative graphic on the left side of the card. It features a vertical grey band with a white polka-dot pattern. To the right of this band are several stylized floral and abstract elements: a large flower with a dotted center, several leaves with detailed vein patterns, and various grey circles and dots of different sizes scattered around. The overall style is elegant and modern.

Wir haben am 29.06.2018
im Bremer Rathaus geheiratet
